D.O.No.F.27-11/2017-EE.16

Respected Ma'am/Sir,

This is in continuation of the earlier letters of even no. dated 25th October, 2017 and 16th November, 2017 regarding Swachh Vidyalaya Puraskar, 2017-18.

2. The process of selection for awards at district level has to commence immediately after the conclusion of process on 15th November, 2017. The last date for finalizing schools for district level award and submission of results to compete at the State/UT level is 30th November, 2017.

3. The position was reviewed today with representatives of UNICEF and ASCI. As you are aware that, as compared to last year, this year, there has been a substantial increase in the number of schools for field evaluation. It will therefore be necessary to have adequate number of field investigators. You may therefore consider ensuring that at least one field investigator is deputed for every 50-100 schools so that the process is completed in time. The field investigators may be selected inter-departmentally also as decided by the District level Committee.

Yours sincerely,

(Maneesh Garg)
